(DADGAD Tuning)

Open

Plectrum

- It's complicated -

And I'm standing on... hallowed ground
And I'm standing on... hallowed ground
Let it shine, let it shine, down on me
Let it shine, let it shine, down on me
Set me free, set me free, set me free
Set me free, set me free, set me free

And I'm standing on... hallowed ground
And I'm standing on... hallowed ground
Let it roll, let it roll, over me
Let it roll, let it roll, over me
Set me free, set me free, set me free
Set me free, set me free, set me free

-Instrumental Section-

And you're standing on... hallowed ground
And you're standing on... hallowed ground
Let it shine, let it shine, down on you
Let it shine, let it shine, down on you and,
Set you free, set you free, set you free
Set you free, set you free, set you free

And you're standing on... hallowed ground
And you're standing on... hallowed ground
Let it roll, let it roll, over you
Let it roll, let it roll, over you
Set you free, set you free, set you free
Set you free, set you free... be set free

And I'm standing on...
And I'm standing on...
